PUBLIC NIGHT SCHOOLS

TO BE OPENED OCTOBER 2
The Board of Education has directed Dr. Frank W. Ballou, superintendent of schools, to throw open public night schools on October 2. Announcement will be made later of the schools in which evening instruction will be given.

Upon the recommendation of Dr. Ballou, the board reduced the salaries of six teachers, all of whom had received a low rating over a five-year probationary period. The reduction was made by withholding the bonus and longevity pay.

Several board members indicated yesterday they were in favor of dismissing teachers with poor ratings. The question of dismissals will come up at the board's next meeting. The board ordered the dental

clinic, which has been located in the Grover Cleveland School, to be removed to the Henry Polk School. The Cleveland School has been turned over to the colored.

EMANCIPATION DAY TO BE OBSERVED TOMORROW

Emancipation Day will be celebrated by Washington negroes tomorrow night at a meeting to be held in Lincoln Temple, Eleventh and R streets northwest, under the auspices of the Colored American Forward Movement of the Frelinghuysen University.

Addresses will be delivered by the Rev. E. D. W. Jones, Mrs. Mary B. Owen and Prof. J. Silas Harris.

\$14 A TON IS NEW YORK

PRICE FIXED FOR COAL
NEW YORK, Sept. 21.—Fourteen dollars a ton for broken egg, or nut, delivered in the bin in Manhattan and the Bronx, was the maximum price set by Fuel Administrator Woodin in the new scale of coal prices issued yesterday.

It will cost a half dollar per ton less to have the same coal delivered in Brooklyn or Long Island City. Figured in the cost of the coal to the consumer are the labor charges, these depending on whether the coal can be emptied by chute or carried to the bin in bags.

The new price quotation is 15 cents a ton more than the retail cost last March before the coal strike was declared, with the same labor charges prevailing.
